PARADISE ON THE COSTA DEL SOL

La Zagaleta Country Club is one of the most exclusive and luxurious residential developments in Europe. Located in one of the most stunning areas on the Costa del Sol, this private complex covering 900 hectares is close to the Serranía de Ronda, a few kilometres from Marbella and only 40 minutes from Malaga airport. The airport has flights to all major European destinations and La Zagaleta Country Club provides private transportation to and from the terminal.

The Country Club offers privacy, security and a whole host of facilities, all of which are exclusive to La Zagaleta residents, members and their guests. These facilities include two spectacular golf courses, one of which is considered one of the most prestigious courses in Spain thanks to its lush vegetation and spectacular views of Gibraltar, the Mediterranean and the North African coast. Each course has its own Club House, one of them covering more than 5,000 m² and housing a pro-shop, restaurant, bar, swimming pool, billiards room, bridge room, function room, tennis courts, etc. The complex also boasts an equestrian centre with excellent facilities, 3 lakes for fishing and some beautiful countryside walks.

There are many services available including a laundry service with home delivery, a cleaning service, garden and swimming pool maintenance, babysitting, a chauffer service and a secretarial service, etc. The private heliport located in the grounds and run by Civil Aviation is a further example of the prestige of this Country Club.

Welcome to La Zagaleta Country Club.
